10. Extend by additional 1 year of moratorium for all ECLGS loans disbursed last year and due for repayment from June 21.
11. Banks to consider and disburse additional loans or facilities sought within 1 week of application, depending on the type of industry involved in with liberal terms to repay – especially where the loans are already fully secured. Extend by additional 1 year of moratorium for all ECLGS loans disbursed last year and due for repayment from June 21. 12. EPFO and CSR funds can be utilized for vaccination of employees.

Unfortunately, MSME sectors have been going through troubled times since 2016 onwards. Having a long-term vision and plan is one side and ensuring ICU treatment for the present situation to save from unemployment and closure of Micro and Small enterprises. A separate task force consisting of experts in each of these sectors must be constituted from the Industry and their recommendations must be implemented their suggestions within 1 month to ensure they recover.

Sir, we request you to consider WASME's suggestions and implement for the betterment of MSMEs and confident that under your dynamic leadership we can overcome this unprecedented situation.

Thanks regards.
